I have read both the *Fremantle Hockey Club Member's Code of Conduct* and the *Fees Schedule* above, understanding both my conduct and payment obligations. During the season, I agree that if I cannot play in a fixture I will advise my Team Manager as soon as possible and no later than the Thursday prior to that fixture.

I will make myself available for umpiring commitments, should these be necessary in my grade.

I am aware of the requirement to pay fees in full or contact the Treasurer to make payments by instalment by the dates agreed. I am aware that failure to pay fees by the dates specified will delay complete registration and result in ineligibility to train and/or play until rectified.

PREGNANCY POLICY (AS APPROVED BY THE BOARD OF HOCKEY WA ON 9 MAY 2005, MINUTE NUMBER 05-0308)

The following policy is derived from advice provided by Minter Ellison Sports and Litigation Lawyers¹:

Pregnant players are advised that continued playing during pregnancy exposes them and their unborn child to health risks. Advice should be sought from an appropriately qualified medical practitioner about those risks and whether, or for how long, it is safe to continue participating.

Australian Law imposes on a pregnant player a duty to take reasonable care to avoid foreseeable risks of injury to her unborn child. If a player fails to do so, she runs the risk of being sued by her child later in life.

Players owe no greater duty of care to a pregnant player than they owe to any other player. Players are liable only for those injuries that they cause by acting outside the rules of the game in a manner that is not ordinarily and reasonably contemplated by other players.

The duty of care owed to an unborn child by another player is similar to that owed to the mother and all other players; namely, to play by the rules in a manner that other players would ordinarily and reasonably expect.

Player Acknowledgement

I, *(Print name)* _____ a playing member of the Fremantle Hockey Club, acknowledge that I have read and understood the Hockey WA policy on playing while pregnant.

- I understand that it is my responsibility to seek advice from a qualified medical practitioner.
- I understand that if I elect to continue playing, I do so entirely at my own risk.
- I understand that other players are under no obligation to treat me differently to any other player.
- I understand the care owed by me to my unborn child.
- I understand that I have no claim for compensation against any player, Club or Hockey WA for any injury to me or my unborn child caused during the course of any game, provided that the game is played in accordance with the extant rules.
