Quiz Night

The Quiz Night, as usual was fun and well attended with 23 tables fighting it out for the spoils. The night raised around \$2000 for the club coffers while all there enjoyed themselves. Thanks go to Natalie for organising most of the prizes and doing the legwork, Lauder Coomber for yelling himself speechless as Quizmaster for the night and Maxine & Fred (& Helen Wilmore) for their bar work yet again. Thanks also to Julie Robertson and Nicky Jeffs for marking. Most importantly a huge thanks to all the sponsors who made it possible - some 60 + of them!!

Junior Windup

Thursday 27th September at Stevens Reserve
For more details see your junior team manager

Team Managers

It's coming up to the end of the season and the votes are getting close for the Medal Count Day. Please get your results in pronto on the last weekend so we can organise the trophies for the day.

PHS Sponsors Day 26th August

This weekend the Southern Derby is on. It's Freo versus Melville in both the Goundrey Cup and the 2A's. It's sure to be a grudge match and Freo will have all its sponsors there in the Champions Room to witness the show. Get up there and lend your support.

It's all about the money !!!

Do you ever wonder what your fees pay for? In the last month the club has experienced some extra bills in the way of first the large coolroom giving in after many years service and then the ladies hot water system springing a major leak less than a week later. All up a few dollars change from \$5000.00.

Life's Unsolved Riddles

Why is the man who invests all your money called a broker?

Why is it that doctors call what they do "practice"?

Why is the third hand on the watch called second hand?

Why can't they make the whole plane out of the same substance that little indestructible black box is?

Why is it considered necessary to nail down the lid of a coffin?

WAWHA Raffle

It's late in the season but we still have some raffle books to sell. The sold books must be returned to Pam Parkin by 7th September so they may be passed on to WAWHA. Anyone looking to sell a book see Pam as she has a few extras to get rid of.

Bar Managers Wanted

After years of service Maxine and Fred are stepping down next year from the bar. REQUIRED new Bar Managers. The hours are long and the pay is really, really bad (like none) but the rewards can be great... (you're always at a bar !!!). Applications to the committee ASAP!!

Summer Hockey

Vets 7-A-Side hockey starts 4th October. Team Nominations close 15th September

Interested in Mixed Hockey this summer? Freo are looking to place some teams. Contact Meg Risk to put your name down or sign up at the club notice board.
