Lysaghts Junior Mentor Program

New sponsor Lysaghts have taken on the Clubs Junior Mentor Program which recently ran for the second time this year. Willing kids from all age groups including some from Santa Maria College are coached by some of the clubs elite squad in various skills which is followed with an all in game. The day is finished by a refreshing drink and a sausage sizzle to replenish that spent energy. Well done to Andrew Robertson in obtaining that sponsorship. *Thanks to Jackie & Rob Chappell from Bakers Delight Cottesloe for providing the buns*

Some Words Of Wisdom (I Think!)

- If at first you don't succeed, destroy all evidence that you tried.
- Experience is something you don't get until just after you need it.
- The severity of the itch is proportional to how far it is out of reach.
- Borrow money from pessimists--they don't expect it back.
- If at first you don't succeed, then skydiving definitely isn't for you

Black & White Night

June 9 was the date of the annual Black & White Night and as the 100 or so souls will attest it was the best yet. On offer were the door prize of a

dinner for two at Rosie O'Gradies and for best dressed an overnight stay at the same establishment. A scantily dressed Clay Wright (lovely black lycra piece) took out the door prize while Nicky Filipi won "Best Dressed".

Team Managers

Give yourselves a pat on the back...those team reports are coming back nicely. The juniors are of course leading the way as usual having 0 outstanding reports.

Want to earn some money ?

Every team has to umpire during the season but not all of us want to do it (any of us ?), however some of us are new to the sport, have other commitments or would just prefer to pay someone else for doing it. Over the season we have many requests for people to do umpiring for others, If you are interested in helping out (need the money) and wish to have your name on an umpiring board, then let Sloth know or ask at the bar.
