## Team Managers

The role of team manager is crucial to the efficient running of the club. Team managers are a conduit of information between the club and members.

If you are a team manager your duty is to:

- Pick up and return card
- Make yourself familiar with events of importance and inform your team
- Circulate any leaflets and Bulletins
- Pass on any fees and chocolate money
- Submit names for fund-raising events (see below) and the windup.

**Your job is not difficult but it is important.**

## Racing Fundraiser

Thanks to Lee Abbott and her helpers, this turned out to be a fun night that really exceeded everybody's expectations. Just ask those who attended on July 13. Suggestion is that we do it again in 2003 but really rock with 150 attendees!!

## PHONE BOOK DELIVERIES

At the request of many members, we have no major raffle this year. Couple this with a fairly poor attendance at our recent racing night and you will quickly work out that the club needs **your** support on the phone book deliveries.

### 50<sup>th</sup> Anniversary Reunion A Great Success

To mark 50 years since our last first division premiership, members of the 1950 and 1952 A1 sides and many former and life members as well as members of our current Goundrey Cup side attended a lunch at the club a couple of months ago. It was especially good to welcome former Australian player, Harold Smith who travelled up from Albany.. They were all entertained by some of the guests by some very funny stories about the personalities in the club during those years.

All attending were keen to repeat the event so watch out for our club 70-year celebrations next year.

Thanks go to Kevin Martin for initiating this wonderful event.

### Vale Ron Chaplin

On a sad note we record the passing of former member and good clubman Ron Chaplin a couple of weeks ago.

### Blaza's Boys in Great Win

Our Goundrey Cup team brightened up Sponsor's Day at the stadium last Sunday with a scintillating 4-1 win over Raiders. The 2A side drew 1-1 also against Raiders.

### Mid-week Vets Challenge Cup

The mid-week O40s exacted revenge on Raiders by winning to take the coveted Challenge Cup but **we wuz robbed**. Seems WAHA made a mistake and Shenton, not Freo, should have played against Raiders. Red faces and apologies at WAHA!!
