Phone Books and Fertilizer Drive

Phone books are on again this year on Saturday September 6. Each team (not playing a final that day) is expected to organise a team of people to deliver phone books that morning. Each team needs a trailer or ute and at least three people to help with delivery. Get your team together and put your names on the board at the club with a contact number. Those who have done it before know that it's not too hard and usually a bit of light exercise and fun.

We will also be holding a fertilizer drive so don't buy yours until you see our order form.

MEDAL COUNT DAY

Sunday September 14

10.30 START

Lunch follows AGM

BAR OPEN

Medal Count Day and AGM

The Annual General Meeting, Medal Count and raffle draw take place on Sunday 14 September 2003. As you know, Melville Hockey Club has a live proposal for an **artificial turf** at Morris Buzzacott Reserve. Fremantle Hockey Club needs to decide what it is going to do about ownership and access to an artificial turf. **Please be at the AGM to join in on that discussion and help chart our future direction.**

We also need new Committee members for 2004 and would like players to nominate for positions. All positions are vacant and open:- *President, Secretary, Treasurer, 6-8 General Committee members, Junior Vice President, Men's and Ladies' Vice Presidents*

Ground Improvements

The new mower has made the grounds look great. They'll get flatter as the weeks go on too. Have you also noticed that somebody finished patching the fence on the eastern side?

Wind Up

Saturday 20 September at East Fremantle Football Club. Cost will only be \$45 per ticket so order yours now. Pre-dinner drinks at 7.15pm with sit down at 7.45pm. There will be a buffet meal and then dancing until midnight.

Grand Final Day

We have all the Over 40s and O50s at Stevens Reserve on September 20. Freo Hockey has a proud and well deserved history as great hosts and we are sure to get a crowd of thirsty and hungry players and spectators if the weather is good. We plan to set up a food and drinks stall in the middle of the grounds as well as the bar area and **we need your help**. It is also our Wind Up night so the pressure will be on to clean up quick after the late game. Please volunteer your help to Barney at the bar.

Finals Prospects

We had hoped to bring you a few notes on the prospects of all our finals sides but all the Team Managers and Captains are playing hard to get!

Suffice it to say that the Men look to have a finals chance for 4A and Over 50s, the Ladies for SL4 and M4 and the Junior boys with U17B Sth, U15B Sth, U13 SW and U11 SW.

Don't just drop out of the club after this Saturday. Find out where these teams are playing and go and support their finals efforts.
