Phoenix Shopping Centre Cash for Clubs

Phoenix Shopping Centre is running a campaign that could see the Club awarded a \$250 sponsorship and a further \$500. All you have to do is shop there from 11 August 2003, spend \$50 or more in any one of their shops and then take your receipt to the 'My Club' box put the club name and your name and contact details on the

receipt and put it in the box. There will be a draw on 6 September. Ten clubs drawn out will each receive a \$250 sponsorship. The Club with the highest receipt amount receives a bonus of \$500.

Family Day

Contrary to all our fears, the weather was good last Sunday and our Family Day was a lot of fun as planned. Unfortunately we cancelled the 'Bouncy Castle' at the last second in expectation of the promised rainstorms.

The day started with our now familiar Mentor Day where our juniors received specialised coaching from our top players. The kids then went on to try their new skills in a fun game with their coaches and parents and then another with some of our Senior Ladies.

Whilst the juniors ate, the President's Team took on the Coach's Team in a high standard game featuring stars from throughout the Men's grades. The result was a 3-3 draw. Andrew Robertson was heard muttering something about being robbed after the game but in truth it took some spirited and courageous defence from 'guest' goalkeeper, Ross Brown, in the last 5 minutes to keep his boys in the game. Andrew Shorter generously (according to him!) hit the post from the top of the circle in the dying minutes to keep the scores level.

Dave Shorter won the traditional 'nearest the pin' post lunch competition.

Big thanks to our cooks and Barney at the bar for a fine spit roast lunch and thanks also to Dazza for getting that Yellow Card last week (that means dishes duties for the uninitiated!).

Shame for those who didn't make it on the day. Next year we will go back to trying to have our Family Day at season commencement and try

Interfoods Magpies

very hard to get more parents and juniors to stay for the challenge games (both women and men next year we hope).

OLD BRIDGE CELLARS

Queen Victoria St

FOR YOUR LIQUOR REQUIREMENTS

BP Honours Glenn Strother's Efforts

If you have been anywhere near our club you will know of the contributions made by Glenn Strother. This year he took a breather from the Club Secretary role and promptly took on coaching our top Ladies. Well it's good to know that Glenn's employer, BP Amoco, values and celebrates the voluntary work in the local community of some of their employees. We made application to BP's London Funding Group and explained Glenn's outstanding efforts. They agreed and 'matched' his efforts with a *substantial* club sponsorship. On a personal basis, Glenn gets nothing other than our thanks..... So make sure YOU thank and congratulate him personally.

KAYLENES KITCHEN

**This Thursday the meal is:
Penne Pasta in a Creamy Chicken, Bacon
and Mushroom sauce**

Rhys the Finn?

We hear that Rhys Spencer has been successful in winning a Rotary Exchange Student Scholarship after nomination by the Rotary Club of Fremantle. Rhys is off to Finland early next year for a 12-month stay. This is a great opportunity for him and we wish him well.

We hear there isn't a lot of field hockey over there in the cold so may be Rhys can take a few tips from Canucks on that other form of hockey before he goes.

Junior Hockey Development at CBC Fremantle

The inter-school hockey competition has just finished for CBC but hockey will remain in their sport program for another 6 or 8 weeks. Sportsmaster, Kieran Cranley, would love some coaching assistance from our club and we would

love to re-build the College as an important source of players for our club. WAHA is behind this sort of initiative and it is likely that we can get financial support from WAHA for our coaches.

The place is Stevens Reserve; the time is a couple of Fridays from 1.30 to 3pm. CBC is happy to sort out the dates to suit our coaches. This looks like a great opportunity for, say, five of our top players or qualified coaches to do something for our club whilst earning a few dollars and the gratitude of the kids they help.

Please contact Andrew Robertson on 9339 5057 to make it happen.

Check Out the Red TORO

Our club in conjunction with the Cricket Club has just acquired a TORO 6500D 5-gang mower for our grounds. It hasn't done much work and should be ideal for Stevens Reserve for some years to come. It didn't come cheap at \$30,000 but we are assured that we have made a great purchase - both the choice of mower and the price. Pepi, our groundskeeper is delighted.

Cricket Practice Wicket

Everybody understands that some of our not so good warm up hits can end up in the cricket nets but please respect the importance of these wickets to our cricket co-tenants. Don't line up the goals so that misses end up in the nets and **DON'T HIT THE BALL OFF THE WICKET SURFACES.** It is very easy to damage the surfaces during the wet weather and very hard to fix them again with only a few weeks to the start of cricket training. We ask the cricketers to stay out of our goal circles and we need to be considerate to their needs too.

Team Photos

Remember we want your team photo before the end of the season so expect it before you play in the coming weeks. Thanks to the M2A, M4A, O/40 and O/50 teams that were snapped last Saturday at Stevens.

The logo for LYSAGHT features the word "LYSAGHT" in a bold, sans-serif font. The letters are white and set against a dark grey background. A thick, dark grey swoosh underline is positioned beneath the text, starting from the left and curving under the letters.
