70th Anniversary Lunch

By now all members should have received a personal invitation to the 70th Anniversary Lunch to be held Sunday June 22 at the East Fremantle Football Club, 1 Moss St, E. Fremantle at 11 am. The cost of the lunch will be \$15 and it is essential that you indicate if you are attending and whether you will be taking a partner. Please indicate to your team manager that you will be going. (Team Managers: please pass on your responses ASAP to Kevin Martin 9332 3877 h or 9330 7823 w or to Gail Mounsey 9418 3790 a/h)

There will be many former members attending including some "greats" of the past. These former members, both men and women, laid the foundations of our club. They will only be happy if we show them that the club is still going strong. Please come along and do just that.

The event will take the form of a buffet lunch with a chance to catch up with some old friends.

KAYLENES KITCHEN

This Thursday the meal is:

Sausage casserole with mashed potatoes

Fees Overdue

WAHA and WAWHA don't wait!

Members who have not paid their fees yet will now be required to pay the following:

\$290 full senior rates

\$175 students and unemployed persons

Casual players are still \$12 a game with a maximum of 5 games before being liable for full fees.

Please note: the above fees are only applicable if paid by June 28. After that there is a substantial penalty so it makes sense not to delay any longer.

Do YOU support our Club Sponsors?

Do you realise the level of support that Jinder has given our club for several years now? Not just our top players with gear or player sponsorship either. Jinder is quick to look after all Magpie members with discounted prices, raffle prizes and this year he has provided the sticks, balls, shin pads and cones for our Junior Development Trailer.

So, did YOU buy your last stick, shoes, shin pads or other hockey gear from Hockey International?

Registration Forms Required

Please hand in your completed registration forms over the bar. Our hard-working secretary needs them urgently to keep her records up to date. It is not just our records either it is now *mandatory* for clubs to provide basic membership data to WAHA or face a fine of \$25/team.

Further Bereavement to Hockey Families

Less than three months after mourning the loss of a mother and grandmother, Kevin, Phil and Leon Martin have lost their beloved father, Roy, who passed away peacefully on June 2. Leon is currently over east competing in another 4 nation series after doing so well in Perth last week.

So too, Ken and Geoff Rennie lost their mother, Gladys, on May 31.

The members pass on their condolences to Kevin, Phil, Leon, Ken and Geoff and their families.

Junior Carnival a Big Success

Last weekend, our Under 15 boys and girls teams went down to the Bunbury Carnival for the first time in a long time (perhaps ever?). Seems they enjoyed their stay at the Australind Caravan Park and supported each other on and off the field. Thanks and well done to all the coaches and parents who made it possible.... they know that on field victories are not the only measure of club success.

Player Numbers

If you know any prospective playing member or a past player who has dropped out for no good reason, please encourage him or her to come along and be part of our club.

It's true that we added one Senior team to both men's and women's grades this year and it's true that we have struggled to fill all our teams every week. We knew we had gained a number of new members this year and believed we would fill all teams but we also unexpectedly lost a number of last year's regulars. It's not easy to get it right sometimes!

It is not fun playing short and it is not fun making lots of phone calls each week. Please help your club mates by committing to play *every* week and don't just leave recruitment to your Vice President or Team Manager.
