

KEVIN MARTIN FOUNDATION

*a social group
dedicated to the
promotion of hockey
in Fremantle,
Cockburn and
surrounding districts*

2018 and 2019 are HUGE years for the KMF as we support FHC's fundraising and its transition to new clubrooms, synthetic turf and grass grounds in Cockburn

**Where are FHC's new Cockburn facilities?
What will they look like, when will they happen?
What still needs to be done?**

Our guest speaker is Rob McPherson, President of Fremantle Hockey Club. Rob will update attendees on the planned facilities, project progress and the club's recruitment initiatives.

Rob is intimately involved in the Lakelands Hockey Project and knows everything that the club will need to do to successfully manage its new facilities and transition to being the resident premier hockey club for both Cockburn and Fremantle. He will be happy to take questions.

Our breakfast is being held in the Lakeland Senior High School gymnasium (formerly South Lake Leisure Centre at 90 South Lake Drive) and attendees will see the layout for the new facilities at the adjacent Reserve.

Please join us again for breakfast. Bring our Junior players too.
